Construction at Our Lady of Mt Carmel Church

Construction continues at Our Lady of Mt. Carmel Church. They have fenced off the courtyard. Access to the Church will be through the old Church entrance on the east side. There is a handicap ramp there and a wheelchair is available for anyone who has trouble with steps. They have taken down the trees, stumps, and roots and are putting in tanks for a water harvesting system. Work is beginning on the building. Thank you for your co-operation and patience, Fr. Lancaster, Pastor
