BLACK AND INDIAN
MISSION OFFICE EST. 1884

May 20th and 21st, is the annual National Black and Indian Mission Collection. Our support of this collection helps build the Church in African American, Native American, and Alaska Native communities from coast to coast. Schools, parish religious education programs, and diocesan ministries depend on your generosity to help them spread the Gospel of Jesus Christ. Please give generously so that those in need of these services will receive them. Rather than a second collection, we, as a parish, will tithed five percent of next Sunday's regular collection to this worthy cause. If you would like to contribute extra for this cause, write "Mission Collection" on your check's memo line. Please adjust your tithe accordingly.

Graduation Prayer

Father, I have knowledge, so will You show me now,
How to use it wisely and find a way somehow
To make the world I live in a little better place,
And make life with its problems a little bit easier to face.
Grant me faith and courage and put purpose in my days,
And show me how to serve Thee in effective ways.
So my education, my knowledge and my skill, may find
their true fulfillment as I learn to do Thy will.
And may I ever be aware in everything I do,
That knowledge comes from learning, and
wisdom comes from You. Amen.

New VIRTUS Program

The Archdiocese of Santa Fe has implemented the VIRTUS program; an internationally known and well respected best practices platform for Safe Environment training. This prevention training is available online and in-person. The program is accessible in Spanish and English. It is a comprehensive training that specializes in assisting churches and religious organizations in creating safe environments for children and vulnerable adults. The primary course, Protecting God's Children, assists the church in its efforts to recognize and prevent child sexual abuse. As a community of faith, we believe that the prevention of child sexual abuse begins with each person. Increased awareness and a willingness to take action are steps for every person to take to eliminate abuse in our society, in the community, in the neighborhood, and in the family. All those who minister, employees and volunteers, in the Archdiocese of Santa Fe will be educated about the nature of child sexual abuse, how it is perpetrated, strategies for prevention, and reporting.

The Protecting God's Children Online Awareness Session course includes a code of conduct and a background check. It will take approximately one hour in length and provides a downloadable certificate at the end of the session. To access the program go to the Archdiocese website www.archdiosf.org and click on the Virtus link.
