Discussion Questions for the Presentation: “Living Our Mission of Mercy”

Why is it important to recognize that our formation in love and mercy (receiving) is essential to, and integrally part of, *living* our mission of love and mercy (giving)? How has this happened in your life?

What are some ways you have experienced God’s love and mercy in your life?

In what ways did St. Faustina learn from her experiences and from Jesus’ own words to her what love and mercy truly are? How is this relevant to you? How does it apply in your life?

In what ways is God calling you to live your mission of love and mercy in the “here and now” of the circumstances of your life?

How are you and your family living your mission of love and mercy? Do you see some ways God might be calling you and your family to live this mission more effectively?
